If you are determined to become a nurse and want to get started right away we believe IUON is the place for you. We are currently accepting students for the September 2012 class and have availability for those that qualify. Unlike our counter parts in the United States that have large waiting lists, we have capacity and the ability to help you achieve your dream. Take the next step and become the nurse you have always wanted to be.

For your convenience, we have developed an online version of our view book. After reading the following highlights, please follow the directions below if you are interested in viewing or downloading this publication, click here: [IUON Viewbook](#)
