- Complaint Process Disclosure: U.S. Federal Program Integrity rules issued by the Department of Education require institutions to provide to students or prospective students contact information needed to file a complaint with its accrediting agency and with relevant state agencies. This list includes contact information for all 50 states, the District of Columbia, and Puerto Rico. It should not be construed as informative of what agencies regulate International University of Nursing, St. Kitts (IUON) or in what states the institution is licensed or required to be licensed. Contacts for the student complaint process are available in PDF format [here](#).
