

## Tuition & Fees

Nationally, the average cost of tuition and fees for private nursing schools is approximately \$13,026.00 per semester for a traditional BSN program. We understand the significance of student debt load and have purposefully established tuition at a value that makes the academic program, as well as repayment, affordable. We pride ourselves on providing a quality education at an affordable price. The average cost per semester to our Upper Division BSN program is only \$6,902.00.

Students in need of financial aid are urged to thoroughly review the financial aid section of our web site. Here you will find information on the various aid programs available at IUON. IUON is proud to announce an application to participate in the Federal Student Aid Program has been submitted to the Department of Education.
